PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Mon. Last Day To Catch A Big Fish

A big spurt of bass fishing is expected to take place in the waters of Lake Okeechobee this holiday weekend, as anglers vie for big prizes in the \$500 Pahokee Chamber of Commerce Black Bass Fishing Contest.

The Chamber's summer-long contest concludes at noon on Labor Day, and grand prize for the biggest bass weighed in at Pahokee Harbor during the contest is a \$100 cash from Bank of Pahokee, a 12-inch gold-plated trophy and a valuable wrist-watch.

Leader in the grand prize sweepstakes to date is Lamont Albertson of West Palm Beach, with a 10-lb. 5 oz. bass he caught in early July. Other big catches were turned in by Horace Harris of Belle Glade (8 lbs. 6 oz.) and E. E. Collier of Pahokee (8 lbs. 5 oz.).

Fishermen still may enter the contest, say Chamber of Commerce officials, either by paying a \$1 registration fee or signing up after spending \$1 for merchandise in Pahokee. They must be registered before fishing, however, and must weigh fish in at the official station at Pahokee Harbor.

U. W. Malcolm, Jr. of Belle Glade turned in the biggest bass this week, a 5-lb. 14-oz. beauty which also puts him in the lead for the final month's prize of a \$13 spinning rod and reel set from Western Auto Store of Pahokee, a \$10 recapped tire from Paul's Service, and a soft-drink cooler from Pahokee Coca-Cola Bottling Company.

The loot for final weeks competition, which also ends Monday (Continued on page 4)

Mindlin Contracts For New Dept. Store

Karl Mindlin, owner of Big Lake Store, has announced plans for the construction of a new department store building in Pahokee at 118-20 Lake Ave., at an estimated cost of \$35,000.

Three old business buildings erected in the pioneer days are being razed or moved to make way for the new modern concrete-block structure which will have a 30-foot frontage on Lake Avenue and will have a depth of 110 feet. The Pahokee firm of Blanton and Unwin will construct the building which was designed by Chester Cone, Miami architect.

Construction work is expected to start in September with completion scheduled for December.

GUEST SPEAKER

The Rev. William Wicker, pastor of the Fort Mead Methodist Church, is guest speaker at the Youth Revival at the Pahokee First Methodist Church this week. The subject of his series of talks each night relate to various tests of human character. He is being assisted by the Rev. Wayne Owens in the revival which ends tonight.

July revenue of the Sunshine State Parkway showed a net increase of \$59,377.47 over June according to a report released recently by Thomas B. Manuel, Chairman of the Florida State Turnpike Authority.

Revival Meeting At Nazarene Church

The Rev. and Mrs. Ralph Swisher of Lake Wales are conducting a series of revival meetings at the Church of the Nazarene in Pahokee. The revival, which started Aug. 27 and will continue through Sept. 8, will have services each evening beginning at 7:30. In addition to the spiritual messages by both the Rev. and Mrs. Swisher there will be drawings under special lights to illustrate the gospel preaching and electric organ music of interest to youth as well as adults.

Seek Quarters For Criminal Court

The possibility of moving the entire court from its present location in the court house to the county office building on Datura St., was being studied this week by the county commission.

The move would entail the addition of two and possibly three more stories to the office building, according to County Engineer Steve Middleton who was instructed by the commission to make a study of the proposed move and report back to the board.

In connection with the move, County Attorney Harry Johnston was instructed to check state statutes to determine if the commission has the authority to move the criminal court to a new location.

Figured in the move are the offices of the county solicitor, court clerk, two criminal court judges and other associated personnel.

Decision to study the move came after the board heard from Phil Anderson, president of the Palm Beach County Bar Association, who told the commission in a letter, that with the inauguration of a new district court of appeals, there would not be sufficient space in the court house to handle the new court. The appeals court, with three judges, is expected to sit in Palm Beach County from three to 12 times a year, depending on the number of appeal cases to be heard.

Circuit Court Judge Joseph White said adequate space would be made available for the district court but that it would mean a delay in court trials for local authorities. Judge White said one of the circuit court rooms could be allocated to the district court.

Commissioner Paul Rardin said it has been his desire for many months to move the criminal court offices—a view which was supported by Commissioners Kenneth Foster and Ben Sundy. Commissioners Lake Lytal and Roy Michael were not present at the meeting.

SHELTER OVER PIT

The Methodist Men's Club at a meeting at the First Methodist Church Tuesday night voted to assume as a project the building of a shelter over the new barbecue pit at the rear of the church lawn. A chicken dinner was prepared and served by a special committee composed of the Rev. Wayne Owens, Marvin Cowart, Duncan Padgett, Vance Denton and Calvin Padgett. President R. B. Simonson presided.

Sen. Geo. Smathers Address Growers

Senator George A. Smathers will address the 14th Annual Convention of the Florida Fruit and Vegetable Association.

Senator Smathers will be the principal speaker at the annual banquet of the Association on October 10, at Hotel Fontainebleau.

SENATOR SMATHERS

Miami Beach, according to an announcement by Roy Vandegrift, Jr., Pahokee, General Chairman of the Convention.

Of interest to the growers and shippers of Florida vegetables and tropical fruits is Senator Smathers' support of important legislation for the industry such as his successful sponsorship of the Bill (Continued on page 4)

Emmett Roberts Is Lions Speaker

State Rep. Emmett Roberts of Belle Glade was guest speaker at the dinner meeting of the Canal Point Lions Club in the Community Building Monday night. Introduced by A. R. Harrington, program chairman, the speaker reviewed the bills passed during the recent session of the State Legislature and pointed to the rapid rate of the State's population growth as the main reason for the necessity of the increase in appropriations voted by the Legislature. He said the public school system receives a large share of these appropriations.

Ray Larabee of Lake Worth explained to the Lions the necessary steps for getting their LaFrance fire truck in good operating condition. He was introduced by H. H. Sears who is a member of the club's committee in charge of the project of obtaining equipment and organizing volunteer firemen for the fighting of fires in the Canal Point community. Other members of the committee are Mack Barfield and Bob Mobley.

BIRTHDAY PARTY

Mrs. Leo Maxwell and Mrs. Robert J. Schroder entertained at Mrs. Maxwell's home with a surprise party honoring Mrs. John A. Dulaney on her birthday anniversary. Arrangements of pink hibiscus were used by the hostesses to decorate the Maxwell home for the occasion.

Will Jernigan Tells Rotes Of Switzerland

Will Jernigan, past president of the Pahokee Rotary Club and past president of the Clewiston Rotary club where he is now a member, spoke to Pahokee Rotes yesterday at noon and told them of his seven weeks trip to Switzerland and his attendance at the International Convention of Rotary in Lucerne, Switzerland. He was accompanied on the trip by Mrs. Jernigan. They are former residents of Canal Point, having moved to Clewiston ten years ago.

In his account of their travels, Mr. Jernigan had time only to tell of the highlights of the trip and these were thoroughly enjoyed by all Rotarians present, including several from Belle Glade. The program was in charge of Past President Frank Shaughnessy and the speaker was introduced by Past President Paul Rardin.

New Uniforms For PHS Band Planned

Mrs. C. W. Ammons was re-elected chairman of the Pahokee Band Parents Association at a meeting held in the bandhouse on the high school campus to make plans for the coming school year.

Other officers elected were Mrs. Curtis Russon, vice chairman; Mrs. A. H. Scruggs, secretary, and Robert O. Lampi, secretary.

The group voted to start immediately to raise a special fund for the purchase of 60 new uniforms for the Pahokee High School Band at an estimated cost of \$3,600 to replace the old uniforms that have been in use for nine years. Mrs. Paul Sasser was named chairman of the drive to raise the money for the uniforms. Those willing to make contributions are asked to contact her.

It was also voted starting this year to charge \$5 per year rental on each band uniform issued to students, this money to go into a band uniform fund to be used only for the purchase of uniforms in the future.

A special committee was appointed to start work immediately on the sale of advertising space in the programs for the home games of the Pahokee High Blue Devil football team. All proceeds from the advertising printed in these programs will go to help pay the expenses of the PHS Band during the coming year. The group voted to increase the price of the advertising in this year's programs in order that part of the proceeds may go into the special fund for new band uniforms. The deadline for the sale of the advertising was set, Sept. 20.

Unique Sundial At Tourist Spot

MIAMI—A unique sundial of remarkable accuracy is one of the attractions of Coral Castle of Florida; 25 miles south of Miami on U. S. 1.

In the shape of a bowl, inscribed with interlocking lines in the shape of the figure eight, it automatically adjusts to the seasons of the year through a shadow thrown by a small metal marker which also designates the time.

Juveniles Will Be Handled By Mayor

The Pahokee City Council in regular session Monday night passed an ordinance giving the city court jurisdiction to try cases of traffic law violations committed within the city limits by juveniles. The authority of the city court over juvenile cases is strictly limited to traffic violations, all other infractions of the law by local children under 17 years to be handled by the County Juvenile Court, as has been the custom in the past.

Another ordinance adopted at the meeting changed the zoning of land owned by Lewis Friend in Sections 9-10-15 16-17 from agriculture to commercial C-2. A program was in charge of the re-zoning of this land preceded the adoption.

K. C. Mock and Associates, Lake Worth engineering firm, was authorized to draw up blueprints for sanitary facilities at Pahokee Harbor at an estimated cost of from \$150 to \$175. The city clerk was authorized to pay a bill for service submitted by the firm totaling \$243, this being a reduced amount from an overcharge made through error last month.

The Council accepted a check for \$52 from the Pahokee Marina Corp. as rental fee for the operation of Pahokee Harbor during July.

It was announced that members of the Council will sit as an equalization board on taxes in the council chamber Tuesday, Sept. 3.

An ordinance permitting the turning off of city water on the 16th of the month following non-payment of the previous month's (Continued on page 4)

Airport Landing Lights In Place

With favorable weather the J. R. Hime Electric Company of West Palm Beach will complete installation of landing lights on the county airport south of Pahokee by next Wednesday, according to County Commissioner Paul Rardin, who made arrangements for the lights in last year's budget of the county commission.

Commissioner Rardin said that in the forthcoming budget of the county which goes into effect on October 1, that he along with other members of the board have made arrangements for available money to erect two or three T-Hangers. If the first group of hangers erected are rented by airplane owners using the airport, Rardin said, plans would be made the following year for additional hangers.

The Hime Company was low bidder on the light installation project.

KINDERGARTEN TO OPEN

The private kindergarten of Mrs. Arch Blakey is scheduled to open at 210 Annona Ave., Pahokee, on Sept. 2, for its 11th year of operation. Classes will be held from 8:30 to 11 a. m. Mondays through Fridays, through the school year. Eighteen children of four and five years have already been registered by their parents and several more are expected to enroll in the kindergarten on the opening day.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The bid of John Tschirgi of West Palm Beach for construction of the county's new office building in the Glades was accepted this week by the county commission.

County Commissioner Paul Rardin, who asked that the bid be given early approval, also won support of other board members for a transfer of funds to the office building account to meet Tschirgi's bid of \$118,640. The county had originally budgeted only \$100,000 for the job. The board instructed County Engineer Steve Middleton to award the contract after he had worked out necessary fund changes.

In other actions this week the commission:

Received word from the State Comptrollers office that the county's up-coming budget had state

approval.

Authorized employment of Architect George Vowak to design the county's new welcome station at Jupiter.

Approved leases at Lantana Airport for Mats Aero Club and International Air Service, Inc.

Received a deed from the State Board of Health, transferring state property on 5th St. to the commission.

Made plans to study the establishment of a bulkhead line in the Loxahatchee River.

Received a request from Robert Nicholas, Riviera Beach, asking that costs paid out to Peace Justice Kenneth Nix in a traffic case which was dismissed, be returned to Nicholas. The request was referred to the county attorney for study.

Cinematic Chatter

By Malcolm Millar

Hello everybody! The return of Janet Gaynor to the screen after an absence of 19 years focuses attention once again on one of the most fabulous screen careers in Hollywood history. The details of her spectacular career are well known to many who remember away back when, but for the generation of movie-ogers a recapitulation can be revealing. Miss Gaynor was the first winner of an Oscar in 1928 when the Academy of Motion Picture Arts and Sciences started the practice of awarding accolades to outstanding performers. Most people think she received the award for "Seventh Heaven," in which she starred with Charles Farrell, but actually her Oscar carried a three-pty credit: "Seventh Heaven," "Street

Angel" and "Sunrise." Following a long succession of hits, mostly produced by the old Fox company, she ended the first phase of her professional career with three pictures: "A Star is Born," "Three Loves Has Nancy," and "Young In Heart." A lady of wide and varied interests, Miss Gaynor decided to give up pictures then and take time out for living. On August 14, 1939, she married Gilbert Adrian, known professionally as "Adrian," whose interests range from designing clothes to painting. They have a son, Robin, now a high school senior. See you at the movies—Mal.

Racing's two most famous horsemen, John Fitzsimmons and Ben Jones, agreed at Hialeah that the current Triple Crown crop is the largest and best in years. They rate 10 or 12 colts strong contenders for the 1957 sophomore title.

Countywide Census On Polio Patients

Some 600 former-polio patients in Palm Beach County have been listed in the countywide census being conducted by the Palm Beach County Chapter of the National Foundation for Infantile Paralysis, and volunteer workers are still awaiting questionnaires from many of the patients.

The local canvass, part of a national program, is to serve as basis for an intensive study of the current medical needs of all post-polio patients, both paralytic and nonparalytic, according to George Hulme, Lake Worth, chapter chairman.

Facts being gathered in the survey, Hulme said, relate to type of treatment received and the amount of recovery achieved by each patient.

The prime objective of the survey is to discover the size of the Post-polio problem and once the survey is completed the national group plans to do all possible to bring the advantage of modern rehabilitation techniques to the patients as soon as possible.

"Not all polio patients are known to us through our chapter rolls," Hulme said, "and we welcome the aid of a number of state and local agencies in locating patients for whom no continuing record is kept."

The survey, Hulme said, will end September 1 and he urged all patients who have been contacted, to complete questionnaires as soon as possible for return to chapter headquarters. Patients not yet contacted may obtain a questionnaire by calling or writing to chapter headquarters, 215 Malborough Road, West Palm Beach.

Fire Destroys Quarters Building

A one-story residential apartment building, approximately 40 by 15 feet in size, located in the Frank Friend Negro farm labor quarters south of the Willard Smith grove in Pahokee was destroyed by fire around 3 p. m. Monday afternoon and another building identical in size next to it was charred on the outside before the blaze was brought under control by the Pahokee Fire Department, according to Chief Marvin Levins.

The fire was caused by an exploding kerosene cook stove and the owner of the stove, Annie B. Newkirk, suffered second degree burns on the knees and hands when she attempted to drag the blazing stove from her kitchen. She was treated at Johnson's medical clinic and released.

The families living in the building lost most of their household goods, according to Chief Levins.

Dola Lillian Mims, Weds Leon Beede

The marriage of Miss Dola Lillian Mims, daughter of Mr. and Mrs. Louis F. Mims of Pahokee, to Leon Beede, son of Mrs. Elizabeth Beede, on Monday, Aug. 5, has been announced by the bride's parents. The single ring ceremony took place at the Mims home with the Rev. Charles F. Crauswell, pastor of the Pahokee Church of the Nazarene, officiating.

The bride, given in marriage by her father, wore a dress of white organza with tuck and lace bodice and ballerina skirt. She carried a white prayer book with satin streamers topped with a white orchid and carnations. Her only jewelry was a blue rhinestone pin of orchid design, a gift of the bridegroom.

Miss Patsy Mims, sister of the bride, was maid of honor and Larry Beede, brother of the bridegroom, was best man. Following a honeymoon spent on the cabin cruiser, "Miss Mims," along the east coast, Mr. and Mrs. Beede motored to Long Beach, Calif., where they are making their home while he is stationed there by the U. S. Navy.

Boy Scouts Enjoy Trip To State Park

Thirty-one members of Pahokee Boy Scout Troop 638 enjoyed a weekend camping and field trip, leaving Friday morning and returning Monday night.

Enroute to the camping site at Manatee Springs State Park the troop stopped in Tampa long enough for a guided tour through the American Can Company's factory. While at camp they enjoyed skating and movies at half price at Chiefland and attended services Sunday morning at the Chiefland Methodist Church, the Rev. Donald Padgett, a former Pahokee resident, pastor.

On Monday they visited Silver Springs before returning home. The group was accompanied by four adult leaders, Louis Mims and Jappy Lindrose, scoutmasters, and Lloyd Hundley and Leo Maxwell, committeemen.

Dow McClelland To Study Lab Work

Dow McClelland, son of Mr. and Mrs. L. V. McClelland in Canal Point, was recently graduated from the School of X-Ray Technicians at Grady Hospital in Atlanta. Young McClelland received an excellent rating while at Grady and a letter of commendation from the hospital was received by his parents. He will leave Canal Point on Sept. 3 for Miami where he will enter Davis Institute of Technology.

Oct. 19 Is Date Set For Branch Dinner

At a meeting of the executive board of the Everglades Branch of the United Fresh Fruit and Vegetable Association, President George Wedgworth named Frank Dooley committee chairman in charge of arrangements for the annual dinner of the Everglades Branch to be held on Oct. 19.

It was announced a general meeting of members to the Everglades Branch will be held Tuesday night, Sept. 17. Other members of the executive board present were J. M. Elliott, John A. Dulaney and Don Aspey.

Better Service & Rates Promised By Railroads

WEST PALM BEACH — Rate adjustments and improved service by Seaboard Air Line, Atlantic Coast Line and Florida East Coast railroads were envisioned recently by George Wedgworth of Belle Glade, district director of the Florida Fruit and Vegetable Association.

The growers association met with representatives of the Fruit Growers Express in an effort to solve the problem of a loss of fruit and vegetable shipment traffic to refrigerated trucks. It has been estimated that 50 to 60 per cent of the vegetables grown in the Everglades is now being carried to market in refrigerated trucks.

Wedgworth said railroad service is not as flexible as the service given by trucks and rates are not competitive. Buyers and not growers have the say as to whether railroad or trucks are used.

A solution to the problem may be found in a series of meetings scheduled between transportation officials and growers that will be held in the growing areas and terminal shipping points.

Sharks Chew Leg Of Attendant

MIAMI—If you harbor doubts concerning the viciousness of the sharks housed in Miami's Seaquarium take the word of two of the Seaquarium employees.

Capt. William B. Gray, director of exhibits and collections, received a 10-inch gash in his leg last week when he got too close to the net holding a nine-foot shark. The shark snapped again and caught Phillip Case, mate of the collection boat, on the knee.

Gray and his crew were moving some sharks to a reef tank so the public could get a better view of the shark feeding exhibit.

The city of Lake Wales was recently presented with its third consecutive award for outstanding pedestrian safety from the American Automobile Association. The award was based on a record of no pedestrian fatalities in 1956.

VACATION TIPS ...

Take it easy on the Highway

Do all your speeding by Telephone

Leave early on your vacation trip—then take it easy and play it safe. If you're delayed on the road, just telephone ahead to let folks know. You'll find convenient outdoor booths everywhere. Long Distance is fast and easy to use. Costs so little, too.

CLASSIFIED ADS PAY
BIG DIVIDENDS

Pick your savings target and shoot straight for it!

A home ... financial security ... a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U.S. Savings Bonds

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their periodic donation, the Advertising Council and

PERSONAL NEWS NOTES

Mrs. Pauline Rice and grandson, David Fountain, will return home this week from a visit with relatives in Kentucky and North Carolina.

Miss Nancy Ruth Wallace left Tuesday for her home in Ames, Iowa, after a three weeks' visit with her uncle and aunt, Mr. and Mrs. George Ramey, in Pahokee.

Mr. and Mrs. Wendell Harris and daughter, Faye and Shirley, will spend the Labor Day weekend at Fort Myers Beach.

Mrs. R. W. Bowers and daughter, Miss Blanche Elizabeth Bowers, will arrive in Pahokee this weekend for a visit with her brother-in-law and sister, Dr. and Mrs. L. W. Armstrong.

Mr. and Mrs. Philo B. Williamson accompanied by his sister, Awaunda Williamson of West Hartford, Conn., were visitors in Clewiston Tuesday.

Miss Marcia Jeah Guthrie returned to Tallahassee Monday after a week's visit with her grandparents, Mr. and Mrs. I. S. Guthrie, in Pahokee.

Mr. and Mrs. Guy Thompson and small daughter, Della Ann, have moved from Pahokee into one of the Santee cottages north of Canal Point. The Levins house at 350 Bacon Point Road vacated by the Thompsons is now occupied by Mr. and Mrs. L. (Boots) Nelson and children, former resident of Belle Glade. Mr. Nelson is local distributor for the Seven-up Bottling Company.

Miss Patricia Cole returned Monday to her home at Roanoke, Rapids, N. C., after a visit with friends in Pahokee.

Mrs. M. P. Stanley and Miss Julia Mathis are expected to return to Pahokee this week from a visit in Texas, New Mexico, Arizona and Panama City. On their return home they were joined by Miss Mathis's niece, Miss Annette McIntosh, at Yellowstone National Park, where she was employed through the summer.

Mr. and Mrs. Ray Singletary and daughters, upon their recent return from Thomasville, Ga., where they spent the summer, moved into the M. M. Chastain residence on Lake Front Drive Canal Point, which they have purchased.

Among those from out of town who attended the Ramey-Miller nuptials in Pahokee Sunday afternoon were Mr. and Mrs. H. L. Jaudon, Wauchula; Mr. and Mrs. Harold Purcell, Mr. and Mrs. Bill Bosworth, Mr. and Mrs. Mitchell Sharpe and daughter, Helen, Mrs. Roy Thompson and daughter, and Mrs. Rose Schuetter, all of West Palm Beach; Dr. and Mrs. Gordon Schuttler, Okeechobee; Mr. and Mrs. Leon A. Miller, Mr. and Mrs. H. G. Miller, Jr., and Gene Arrowood, all of Shelby, N. C.; Miss Patricia Cole, Roanoke Rapids, N. C.; Miss Awaunda Williamson, West Hartford, Conn.; and Miss Nancy Wallace, Ames Iowa.

Councilman and Mrs. Edgar Wilder and children returned recently from a two-month visit with their parents, Dr. and Mrs. Bennett, at Hendersonville, N. C.

Dorsey Thompson, son of Mr. and Mrs. Ray Thompson, is recuperating from eye surgery performed recently at Good Samaritan Hospital.

Mr. and Mrs. Jack Vandegrift and daughter, Jackie, have returned from a vacation trip to Hot Springs, Ark.

Robbie Walker has returned to Pahokee after spending the summer with his parents, Mr. and Mrs. Robert Walker, in North Carolina. His parents, who are now at Hamilton, N. Y., will return home next month.

Suzanne Morgan returned home this week from a visit with relatives in Paris, Texas.

Mrs. Albert Gant has returned home from a visit with her son-in-law and daughter, Mr. and Mrs. James Sullenger, and family in New York.

Mr. and Mrs. Herman Austin and son, Larry, have returned from Daytona Beach to make their home at 221 Annona Ave., Pahokee, during the current school year. Mr. Austin is an instructor at Pahokee High School and Mrs. Austin is a member of the teaching staff at the Canal Point School.

Juveniles Will Be —

(continued from page 1)
bill was passed on first reading only, with Councilman George Tucker, Jr., casting a dissenting vote.

Protests were registered at the meeting against the moving of the old Inlow building, formerly used as a poolroom, from Lake Avenue to the Negro section where it is to be used as a rooming house. This is one of the buildings being either razed or moved to make way for Karl Mindlin's new department store building. Building Inspector Frank Thompson reported that although this frame structure is old, it is as a whole in sound condition and moving it to the new location will not violate any present city ordinances. The Pahokee Junior Chamber of Commerce was represented by Frank Gillis in the discussion.

A bid by Burroughs of West Palm Beach for the sale of a utility billing machine to the city for \$2,247 was tabled until a demonstration of this machine is given to City Clerk, Patsy Batchelor, and its performance is reported by her.

Mackey Airlines Business Is Better

FT. LAUDERDALE — Mackey Airlines recently released figures that show clearly the rising tide of Summer activity in Florida.

For the first 10 days of August, the airline carried almost 100 passengers more than in the first 10 days of March. There were passengers going to and returning from Nassau and Grand Bahamas through Ft. Lauderdale.

For Mackey's entire system, domestic and foreign, there was a gain of 47 per cent in the first 10 days in August from the same period last year.

Col. Joseph C. Mackey, president of the airline, said he was astounded by the figures. "This is further proof," he said, "that Florida has become a year-round vacationland."

Sen. Geo. Smathers —

(continued from page 1)
to insure truckers of vegetables and fruit crops the right to lease their equipment on return trips from Northern markets," said Vandegrift.

"Also of particular interest in this area is his work on the development of Inter-American tourism. "Senator Smathers was graduated from the University of Florida Law School in 1938 after serving as president of the University student body. He immediately entered the practice of law and in 1939 was appointed assistant district Attorney at Miami. He was elected to the Senate in 1950.

"It is a real privilege for this Association to be able to present Senator Smathers to our members and guests," said Vandegrift.

Mon. Last Day To —

(continued from page 1)
noon is a \$5.50 gallon of paint from Pioneer Lumber Company, a \$5.95 electric fan from Bolton Rex-all Drug Store and a car wash and lubrication job from Four-Way Service Station, Pahokee.

Even if the holiday anglers don't top Albertson's big catch, if they should win the second place grand prize they'll cop sizeable booty—\$25 cash from Grassy Waters Motel, a case of outboard motor oil, a portable ice chest, two life preservers and a \$10 Stetson hat.

NEW PAHOKEE LION

Ray Hawk, Jr., was received as a new member of the Pahokee Lions Club at the Tuesday luncheon meeting with President James Harry Wilkinson, Jr., presiding. James W. Vann, a past president of the club, was in charge of the ceremony inducting Mr. Hawk into Lionism.

The first meeting of the Florida Tomato Committee will be held Sept. 18-19 in Clewiston. Manager W. E. Black of Orlando announced recently.

Mr. and Mrs. Edward Arons (Raquel Mindlin) of Pahokee announce the birth of a son, Norman Jack, at the Everglades Memorial Hospital, Aug. 24.

Mrs. E. W. Brandes returned recently to her home at Canal Point from a visit with her son and family and friends at Washington, D. C.

PAHOKEE MOTOR COMPANY
PAHOKEE, FLORIDA

It Is Unlawful For Any Person Or Persons To Engage In Business Under A Fictitious Name Unless The Name Is Registered

The fictitious name statute was recently changed by the 1951 Legislature and the News has the necessary forms for proper registration and advertising.

The charge for advertising the notice the necessary four times is \$15.

As amended by the 1951 session, the law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on. Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."

BY MORRISON I. TAYLOR
CHAIRMAN
FLORIDA REAL ESTATE COMMISSION

IT IS UNLAWFUL for anyone to act in behalf of another, in the sale or purchase of real estate, unless he be a registered real estate broker or salesman, or an attorney engaged in the settlement of an estate.

To become qualified to act as a broker or salesman, a person must take and successfully complete an examination given by the Florida Real Estate Commission. These examinations are held on the first and third Mondays of each month, at Orlando.

Examinations are not too rigorous, questions are not too difficult, but to engage in the real estate business in Florida it is felt that a man or woman must be well informed in such matters, and able to serve the public intelligently and well.

Florida universities maintain fine courses in real estate, which bring the calling up to a professional level, but many people sincerely interested in a real estate career may qualify themselves for the examination by studying the Florida Real Estate Handbook.

Information about becoming a real estate broker or salesman is something you are entitled to as a citizen of Florida. Full details are available, if you will write to M. M. Smith, Jr., Executive Secretary, Florida Real Estate Commission, P. O. Box 1393, Orlando.

a castle in the air costs nothing
—but you can't live in it!

Make your dream house come true! It's easy
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

If you want your interest at current income, ask your bank about Series H Bonds, which pay dividends annually by Treasury check.

Choose your own savings goal

| | If you want approximately | | |
|--|---------------------------|----------|----------|
| | \$5,000 | \$10,000 | \$25,000 |
| Each week for 9 years and 8 months, save..... | \$5.00 | \$10.75 | \$26.00 |
| Each week for 19 years and 8 months, save..... | \$3.75 | \$7.50 | \$19.75 |

This chart shows only a few typical examples of savings goals and how to reach them through Payroll Savings. Remember, you can save any amount you want, and you can change your goal at any time.

Diving Platform For Boy Scouts

Members of Pahokee Boy Scout Troop 628, formerly known as Troop 28, are working on the construction of a 10 by 10-foot diving platform of steel and wood which they expect to have completed in time for use through the Labor Day holiday weekend.

The platform will be anchored in approximately five feet of water in front of Boy Scout Beach north of Pahokee Harbor and will be surrounded by an area 200 feet square marked by wooden floats and cables to protect swimmers from diving boats.

The new diving platform will be an added attraction to the popular Boy Scout Beach and picnic grounds. All work in developing the beach and constructing the platform was done entirely by the Scouts as a public service project.

Conservation Plan Is Announced

The 1958 National Agricultural Conservation Program for sharing the cost of approved conservation practices with farmers and ranchers was announced by Acting Secretary of Agriculture True D. Morse on August 9 according to information received by the Florida State ASC Office in Gainesville.

The 1958 ACP will be substantially the same as the 1957 program now in operation except for one major change. Under recently passed legislation, the Congress has raised the maximum cost-share that any one person may receive

from \$1,500 to \$2,500 and authorized \$250 million for the 1958 Program.

State and county Agricultural Stabilization and Conservation (ASC) Committees will administer the ACP as in the past.

The State Development Group composed of representatives from principal agricultural agencies will meet within the next few weeks to formulate the 1958 Florida program.

States and counties are expected to announce their 1958 conservation program practices, specifications, and cost-share rates before the end of 1957.

Over 10,817 farmers and ranchers in Florida participated in the 1956 Agricultural Conservation Program. Cost-sharing in the amount of \$2,483,753 was paid to the participating farmers under that program. Payments for cost-sharing on 1957 practices will be made beginning next month.

Stars In Meeting For Morris Day

Members of, Pahokee Chapter 184 and Belle Glade Chapter 197, Order of Eastern Star, met jointly in the Community buildings at Canal Point Thursday, Aug. 29, for the annual observance by the two chapters of the birthday of the founder of OES, Robert Morris.

This year's Robert Morris Day observance was a social gathering and pot-luck supper for members and their families, which started at 6:30 p. m.

The Practical Legal Education Institute at Stetson University College of Law was held recently in St. Petersburg. The project is sponsored by the Junior Bar Section of the Florida State Bar Association, and the junior president, Roy T. Rhodes, of Tallahassee, spoke to a group of more than 60 students.

Glare Protection Important To Highway Safety, Expert States

Unless you spend the summer months living in a cave, you need at least one pair of good quality sun glasses.

Sunshine, which can be one of your best friends, can also be an enemy, particularly on the highway where glare-induced accidents are a constant threat to even the most careful driver.

Driving against glare can cause visual fatigue, result in headaches, drowsiness, reduce your ability to see at night and even endanger your life on the highway, according to Fred W. Jobe, director of ophthalmic research for the Bausch & Lomb Optical Co.

He points out that the increase in light-colored cars, and the greater use of highly reflective chrome and window areas, have all added to the glare hazard for the driver, as has the increase in light-colored, more reflective road surfaces and the trend to open sports cars.

Moreover, prolonged exposure to glare during the daylight hours can sharply reduce a driver's ability to see at night. This, naturally, is a hazard in nighttime driving, as is anything which reduces your visual acuity.

The best method of combating daytime glare is to wear good

quality sun glasses which provide comfortable vision in the brightest sun by filtering out a large part of the excessive visible light and the potentially harmful infrared and ultraviolet radiations, Jobe states.

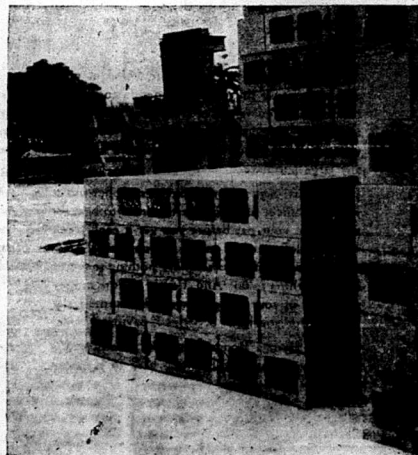

Pointing out the importance of wearing good quality sun glasses, he emphasizes that cheap sun glasses almost invariably have imperfections which tire the eye in critical seeing, and which may cause headaches, eyestrain and discomfort.

What types of sun glasses are best for the driver? Jobe recommends Ray-Ban lenses with gradient density, a metallic deposit on the top, and/or bottom of the lens for extra protection from direct overhead or reflected glare, or neutral gray G-15 lenses which filter out 85% of the potentially harmful sun's rays and transmit the remaining 15% with no change in colors

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.57 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,860.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 6 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$30,000.

Now even better! Invest more in Savings Bonds!

Miss Phoebe Ramey Weds H. G. Miller III

Miss Phoebe Anne Ramey, daughter of Mr. and Mrs. George Bryan Ramey of Pahokee, and Hugh Graham Miller, III, son of Mr. and Mrs. Hugh Graham Miller, Jr., of Shelby, N. C., were united in marriage in an impressive double ring ceremony at the Pahokee First Methodist Church Sunday, Aug. 25, at 4 p. m.

The vows were read by the Rev. James E. Statham, pastor of the Floral Park Methodist Church, Miami, as the couple stood before an altar lighted with tall white tapers in graduated candelabra and decorated with white gladioli and pompons against a bank of palms. The altar rail was entwined with fern and white pompons, the pews were marked with white satin bows and there was a lighted candle surrounded by fern at each window.

Miss Jill McIlwain, organist, played the traditional wedding marches and was accompanist to Robert O. Lampi as he sang "O, Promise Me," "At Dawning" and "The Lord's Prayer," singing the latter as the couple knelt at the altar.

The bride, given in marriage by her father, was lovely in a gown of rosepoint lace fashioned with fitted bodice, sabrina neckline highlighted with iridescent sequins, and long tapered sleeves that buttoned at the wrists. Her fingertip veil of illusion fell from a crown of pearls and iridescent sequins. Her bouquet was a white orchid encircled with stephanotis and lacinon with white satin streamers.

Miss Marcia Jean Guthrie, a high school classmate of the bride, as maid of honor wore a dress of dusty pink scalloped lace and taffeta with taffeta cummerbund emphasizing a bouffant skirt. Her hat was tulle and chiffon with rhinestone trim.

Miss Patricia Cole, a college roommate, and Miss Nancy Ruth Wallace, a cousin of the bride, as bridesmaids wore dresses of cerulean blue. Both their dresses and hats were fashioned identically to that of the maid of honor. All of the bride's attendants carried bouquets of gamellias sprayed with stephanotis.

Hugh Graham Miller, Jr., was his son's best man. Leon A. Miller, brother of the bridegroom, and Gene Arrowood, his uncle, served as ushers.

Mrs. Ramey, the bride's mother, chose for her daughter's wedding a mauve silk sheath dress with matching hat and accessories and a lavender orchid corsage. Mrs. Miller, the bridegroom's mother, wore a grey blue sheath dress of crystalet over taffeta with white accessories and a lavender orchid corsage.

The bride's parents were hosts at the reception after the ceremony in the Woman's Club building. Arrangements of white lafrance hibiscus blossoms, carissa, orchids and fern were used for decorations and white candles in silver candelabra lighted the tables. Mrs. Lloyd Hundley and Mrs. Harry M. McIntosh, who were in charge of arrangements for the reception, served portions of a three tiered wedding cake. Mrs. Philo B. Williamson and Miss Awanda Williamson, aunts of the bride, poured at the punchbowl. Miss Billie Nell Stokes was in charge of the guest book. Miss Jill McIlwain played background music at the piano. Also assisting were Mrs. Hugo Boe, Mrs. Homer Barnes and Mrs. John A. Dulany.

Following a brief honeymoon on the lower east coast, Mr. and Mrs. Miller will be at their home in the Tripp Apartments, Boone, N. C., where both plan to attend Appalachian State Teachers College. Mr. Miller is scheduled to receive a BS degree in business administration from ASTC later this year at the end of the fall quarter. Mrs. Miller is a Junior at ASTC.

Mr. and Mrs. Bob Maxson of Pahokee announce the arrival of a daughter on August 24 at the Pahokee hospital. Mr. and Mrs. Russell J. Maxson of Canal Point are the paternal grandparents.

MISS NANCY ELAINE ENNEMOSER

Miss Nancy Elaine Ennemoser Weds Harkness Duncan In Church Ceremony

Miss Nancy Elaine Ennemoser, daughter of Mr. and Mrs. Clifford Eugene Ennemoser of Miami, became the bride of Harkness Alexander Duncan, son of Mr. and Mrs. William Lester Duncan of Canal Point in a single ring ceremony performed in the chapel of the Trinity Methodist Church Sunday, August 19 at 3 p. m. with the Rev. Alvin E. Weston officiating.

The church altar was decorated with white gladioli and mums with palms forming the background. White satin ribbons with small sprays of blossoms marked the pews reserved for the families.

A program of nuptial music was presented by Mrs. Clynn Oliver, organist, and Farris Kincaid, vocalist.

The bride, given in marriage by her father, wore a white lace gown over taffeta. A taffeta crown held her finger tip veil. She carried a white Bible topped with a cascade arrangement of white carnations and sweetheart roses.

The maid of honor, Miss Vivian Jean Ennemoser, sister of the bride wore a dress of turquoise lace over taffeta and matching taffeta crown. She carried a nosegay of pink and white carnations. W. L. Duncan, father of the bridegroom was best man. Ushers were James Roundtree of Miami and Mack Allan Parker of Canal Point.

Following the ceremony the wedding reception was held in the church patio. Mrs. L. H. Stein,

Miss Teresa Stein and Miss Marty Wright predated at the refreshment table. The brides cake was decorated with a miniature bride's bouquet. Miss Sue Krowel kept the bride's book.

For her daughter's wedding Mrs. Ennemoser chose a dress of white linen with matching accessories. She wore a orchid corsage. Mrs. Duncan, the grooms mother wore a white eyelet dress with white accessories and a orchid corsage.

Before leaving for a wedding trip to Key West the bride changed to a powder blue sheer dress, worn with white accessories, and the corsage from her wedding bouquet.

Upon their return, Mr. and Mrs. Duncan will reside at 2121 N. W. 36th St., Miami.

Mr. and Mrs. Hugh G. Miller, III, newlyweds, visited her parents in Pahokee Tuesday before leaving for their home in Boone, N. C.

NEW CIRCLE MEMBER

Mrs. George H. Tucker, Jr., was received as a new member of the Gertrude Shirley Circle, Pahokee Methodist WSCS, at the August meeting held at the home of Mrs. F. S. Parrish with Mrs. H. S. Peterson, co-hostess. Mrs. O. D. Carpenter, chairman, named Mrs. Leon Spooner to represent the circle on the WSCS flower committee. Mrs. Eugene Pickren was in charge of the devotionals.
